Happy Easter from 4-H Plumbing!

Happiness has much to recommend it,
A choice, though hard, that often satisfies.
Passing joys, pursued, bid fair to end it,
Perhaps because their truths turn into lies.
Yet one may choose a life of faith and love,
Even dogged by doubt and ripe with lust,
Ample as a river on the move
Singing down the balustrades of dust.
To love is to step forward into light,
Embracing what would else return to night,
Redeemed, redeeming by this act of trust.

Secretary of the Quarter & Year

Dalia Yatim and Darlene Sanders have qualified for both the Secretary of the 1st Quarter, 2007 and Secretary of the Year 2006. The yearly award requires each person to meet the following requirements:

- ➔ Be on time each morning and when returning from lunch.
- ➔ Cannot miss any workdays (except scheduled vacation days).
- ➔ Must work a full eight hours each day.

NEW Developments in ORLANDO

Engineered Homes

The Enclave

Cambridge

Stanton Ridge

Avatar Homes

Bellalago

Nicholson Homes

Remington at

Hawk's Nest

Plumb Control Software Updates

The Plumb Control software that 4-H Plumbing has been developing is finally ready to take over the ticket making process of our out-dated DataEase program. Owners and managers will be working with Preston (IT Manager) on the final tweaks needed for fixtures and printing tickets.

This new system will finally eliminate DataEase from our day to day activities, and should speed up ticket making as well as cut down on errors made while stocking trucks and installing fixtures in homes.

Digital Archives

4-H Plumbing has added additional digital cameras to our workforce.

Our company has recently begun archiving digital photographs of sewer installations and our service trucks.

2007 National Softball 10U Championship

The **Orlando Aftershock** (sponsored by 4-H Orlando office) defeated the **Clermont Crushers** (sponsored by 4-H Minneola office) in the N.S.A. championship game with a final score of 12 to 4. Danielle Lobozzo was voted tournament M.V.P.

UPCOMING HOLIDAYS

Easter Sunday
April 8

Mother's Day
May 13

Memorial Day
May 28 (CLOSED)

Father's Day
June 17

Builder Surveys

4-H Plumbing Builder Surveys have been mailed out to all builders. We encourage all superintendents to complete the forms and mail them back to us promptly. This information is used to help provide the best possible service to our customers and we value all comments and suggestions provided to us. 4-H Plumbing looks forward to sending surveys out via e-mail in the near future.

401K Reminders

This is the time for all eligible employees to make contribution percentage (or dollar) changes to their 401K plans. Those who were previously eligible (but declined) may also sign up for a new 401K at this time. If interested, please see your Human Resources Manager in your office immediately. Semi-annual open enrollment for new employees will be available in June.

The Little People

4-H Plumbing would like to congratulate **Tana McClain** and **Matt Allen** on their newborn baby boy, **Bryson Allen**, who was born on Feb. 27 at 11:09 AM, weighing in at 6 pounds - 14 ounces, and 19 inches long.

Newly Weds

Tony Choate (Summerfield Branch Manager) will be getting married on April 14, 2007 in the state of Indiana to his new wife **Kelly Bickers**.

(FUN FACT: The great state of Indiana has been TIDAL WAVE FREE for the past 2 billion years!)

Jan-March Accident Report

Accidents in the first quarter of 2007 have been very low compared to previous years! We would like to congratulate and thank everyone for working hard to help make 2007 the safest work year yet! Please remember to be safe while driving, working with power tools, and working in the heat.

To all Employees that were born in Jan, Feb & March

HAPPY BIRTHDAY!

New Service Coordinator

Lindsay Graham has been hired at the Clermont location to handle reception, scheduling, service tickets and dispatch.

Sprint/Nextel Hybrid Phones

Most managers, owners, supervisors and service technicians are now utilizing twenty-six new Sprint/Nextel Hybrid phones. These new phones will only provide standard Nextel/IDEN radio reception, but they should improve the cellular service by being able to utilize up to five different networks to make and receive calls.
