Our favorite pink Summerfield building has been redecorated to a much more pleasing, neutral shade of gray.

Fences have been erected, Pipe Racks installed, and network and security cabling completed. Interior renovation is now underway and great progress is being made.

Although there have been a number of slight delays, the new location should be ready for a grand opening sometime late this month. (Current estimates place the opening date on April 24, 2006.)

We will also be attempting to install and configure our own phone system, voice-mail, and warehouse paging system before opening day arrives.

4-H Plumbing Continues to Grow

Thanks to all the hard work and dedication put forward by the entire staff, 4H Plumbing continues to grow on a monthly basis.

We are welcoming new builders and subdivisions every month. A new twenty foot box truck has been purchased for making deliveries between our shops and offsite locations. The number of new construction and service trucks on the road now totals 191.

The hard work and professional attitudes that each employee displays helps our company continue to grow day by day.

The Ladies of 4-H Plumbing

During the busy season, 4-H Plumbing keeps backup crews available with tools and pink t-shirts.

(It is rumored that these crews will be competing for the TOP TEN Plumber spots this summer!)

The 4-H Plumbing Baldwin Park crew teamed up to take on the Cambridge Homes team in a friendly game of softball on April 1, 2006.

Cambridge Homes suspected they would have a tough time against our guys, so they recruited an ex-Texas Rangers baseball player to help them drive home additional runs!

Cambridge Homes was in the lead 6-0 up until the 6th Inning. By the bottom of the 6th the 4-H Baldwin Park team had a burst of energy evening up the score to 6-6. By the end of the 13th Inning the Cambridge Homes team drove the score up to 9-6 and took home the win.

Thanks to everyone who participated. Even though we lost, it was a great event!

4-H Cheerleaders
Dalia and Stephanie

Who's that stuck in the Lift?

We always knew someone had a Telescopic Boom Lift fetish — we just never could quite put our finger on who it was. It looks like someone has finally overcome their fear of heights!

Welcome Emery!

Emery Fekete will be joining us as the new Warehouse Manager at the new Summerfield location.

CLERMONT SHOP

We look forward to having Clermont join the Top Plumbers program in the near future.

Did you hear that someone broke into our local police station and stole the toilet?

Right now the cops have nothing to go on....

The 2006 Golden Secretary Award

Our first quarter qualification & voting poll for Secretary of the Quarter for 2006 has resulted in a tie between Dalia Yatim and Darlene Sanders. Both have done a tremendous job in their various departments and are in the running for this years bonus. Thanks to both Dalia and Darlene for the efforts they have put forth this year.

Roger Thompson BUILD IT AND YE SHALL EAT!

Thanks to Roger Thompson (the Orlando warehouse manager) our Chuck Wagon has been serving food for a few weeks!

Roger is still tweaking some of the final changes that need to be made to keep her afloat – but the ongoing project has been a great success! (Next on the Chuck Wagon list – A TEN TON AIR CONDITIONING UNIT!)

Please submit all classified ad requests to your manager or supervisor. Approved ads will be seen by over 300 readers!

Ladies Softball Team

4-H is looking for up to fifteen ladies who would like to form a Ladies Softball Team. Please contact Dalia for details.

To all employees who were born in **APRIL**

HAPPY BIRTHDAY!

Twenty Years!

Congratulations to Jimmie McKenzie on a job well done! Jimmie has been with our company for twenty years!

His hard work and dedication has proven to have been a valuable addition to the 4-H Plumbing family. Keep up the great work – we are glad to have you working with us!
