The Central Florida Hurricane Club Golf Classic was hosted at the Diamond Players Club in Clermont, Florida on July 22, 2006. 4-H Plumbing donated to help raise money for the university of Miami. Many thanks go out to everyone who sponsored, attended and participated in this years event.

4-H Attendees: Dennis Gobble, Keith Grondwalksi, Jason Hope, Joe Colombo.

Lakeland Trial Office

4-H Plumbing and Ferguson Enterprises have teamed up to open a new trial office in Lakeland, Florida. Tony Choate (from the Summerfield office) is setting up the location and hiring new plumbers and helpers.

Happy Birthday Marcia Hamilton!

Yes, it's that time of year again – Happy Birthday Marcia Hamilton (Owner, Orlando Location). We hope you enjoy your \$250 gift card to Marge's Store.

(She almost got a new Aston Martin convertible, but after Dalia served the cake upside down we decided at the last minute to return the car and just stick with the gift card.)

**4-H wishes

Employee Updates

Julian Grenald has been deemed the new supervisor for the Campbell Cove subdivision (Nicholson Homes).

Clermont has hired Larry Baird as a new, full-time backhoe operator.

Dalia Yatim is now handling the Accounts Payable as well as the Accounts Receivable positions at the Orlando office.

L.N.C. Plumbing

In case you haven't met Lou Comtois (owner of L.N.C. Plumbing), his company has been a sub-contractor of 4-H Plumbing for the past six years.

L.N.C. Plumbing handles most of the sewer and water rough-ins for all three locations.

Supervisor Jobsite Pictures

Supervisors from all three shops have begun utilizing their new digital cameras for taking pictures of each phase of construction (Sewage, Rough-In, Tub-set and Final). This collection of images allows for easy to manage job quality control, warranty repairs and insurance claims management.

Dena Castro (Clermont), Evelyn Edwards (Orlando), and Jeanette Lombek (Summerfield) are the primary downloaders and sorters of the incoming photographs into job folders. The ability to search by address or lot number to find job pictures has been added to the PlumbControl application.

Top Plumbers for July 2006

ORLANDO SHOP

175	Selburn Ridley - Michel Hebreux
153	Ramon Betancourt - Carlos Correa
150	Juan Verdejo - Jose Rivera

- ☑ Bottled Water
- ☑ First Aid Kit
- ☑ Approved Work Boots
- ☑ Work Gloves

Equipment Updates

4-H Plumbing has purchased six new trucks (four in Orlando and two in Clermont) to help put six new crews on the road in these areas. (Now all we need is our own gas station and oil pipeline to combat the rising cost of fuel.)

New PlumbControl Features

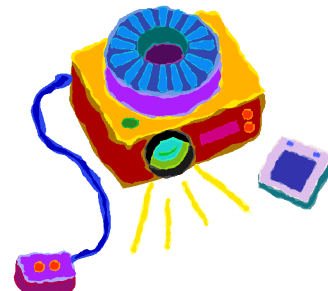

The **PlumbControl** program is now in use by most of the Orlando office. Users are able to search for customer & job information, permit numbers/expiration dates, claims information, service tickets, job related documents and jobsite photographs. The front desk is also utilizing the software to create and manage all new service tickets.

A brief demonstration of the applications general features, as well as the service ticket making capabilities was shown during our service meeting earlier this month. We hope to smooth out a couple of bugs in the software and to add scheduling features in the coming weeks. Clermont and Summerfield can begin using the application at that time.

Training Room Projector

The Orlando location has modified their conference room to dual purpose as a training room for all three shops. Orlando personnel installed and configured a new Sharp DLP-HD conference room projector and 120" electric viewing screen for displaying computer demonstrations, training videos, and job photographs that large groups of people can view simultaneously.

The new equipment has been getting lots of good usage during the service, supervisor and management meetings.
